This programme runs from Monday to Saturday.

Day camp participants can choose between different options:

- **Intensive Soccer:** consists of 16 hours of soccer per week and incorporates practical training on skills and tactics.
- **English Course plus Soccer:** 16 hours of soccer training plus 13 hours of English classes per week.

WHAT IS YOUR LEVEL OF SOCCER?

Whether you want to learn or practise soccer or you are playing for a club and are already highly skilled, this is your programme.

For those participants aged 13 - 17 who want to focus on [GOALKEEPING training](#), we offer complementary training (1h30 per day), at both standard and advanced levels.

ENGLISH LANGUAGE TEACHING

Language tuition uses a fun, participative approach to learning and emphasises spoken language skills within a soccer context. Students receive 13 hours of English lessons per week, taught by qualified teachers in classes of a maximum size of 15 students. Students are tested on arrival, and placed in classes with other students of approximately the same level.

Every Wednesday our teachers will give seminars incorporating video analysis of matches but also they will cover important aspects such as tactics, technics, nutrition and sport psychology as part of the soccer programme.
