

## MANCHESTER SOCCER ACADEMY

The football academy study abroad programme is aimed at students who wish to study English or an Academic Year and to train and practise in our soccer Academy in Manchester.

The Soccer Academy provides integrated specialization in soccer for students in order to improve their ability in English as well as their soccer skills. Our aim is to improve players' individual and team performances.

Our UK based football academy encourages development in football skills, while understanding the need for continued education.

The training programme consists of 5 days' training with an activity on each of those 5 days. There will be at least 3 training sessions per week, with other sessions providing recovery training.

There are 4 general types of activities:

- Football training session
- Fitness sessions
- Matches
- Recovery sessions

Training sessions last 45 minutes each. Matches can be up to 2-3 hours as they include warm up and half time. There will be an activity of at least 1.5 hours each day Monday to Friday.

### ENGLISH LANGUAGE TEACHING

The General English classes at Berlitz concentrate on improving every aspect of your English. Our approach is to provide a stimulating and highly-interactive environment in which you can develop your language skills. In your General English class, you will work on speaking skills, listening skills, reading skills, writing skills, pronunciation and grammar & vocabulary.
