Develop your goalkeeping skills with the world famous West Ham United Academy coaching programme and gain an insight into the best techniques and goalkeeping training methods.

Develop the vital skills that can often be overlooked in team training, including handling, footwork and distribution. West Ham United Foundation coaches focus on the technical, tactical and psychological aspects of goalkeeping, helping players develop the specialist skills needed to progress. Through training and seminars with experienced coaching staff, goalkeepers gain valuable insight and further technical knowledge to support their development.

This programme is unique in providing in-depth training covering technical skills, tactical appreciation, psychology and physical training techniques. The Coaching programme is delivered by WHUF trained, UEFA qualified coaches using the West Ham United academy model. It takes place at West Ham United Stadium training complex in London. This programme is open to boys and girls aged 10 - 17 years old.

GOALKEEPING

Goalkeeping courses teach players those additional vital skills such as handling, footwork and distribution which can be overlooked when training as part of a team. Our goalkeeping courses are specialised, and we work in smaller groups to enhance development and therefore fitness levels should be of a high standard. Goalkeepers train independently to our football academy programme but come together during session enabling players to put techniques into practice.

ADVANCED GOALKEEPING

Advanced goalkeeping courses work on the same basis as standard goalkeeping, but sessions are designed to meet the requirements of senior and advanced goalkeepers who require further technical detail incorporated into their training to aid progression and development. Advanced sessions are physically and technically challenging, and we recommend that players be of a high standard of both fitness and ability. Goalkeepers who attend these sessions may have the opportunity to significantly improve their skills. Advanced Goalkeeping courses available to boys and girls of an advanced level aged 10 - 17.

ENGLISH COURSE PLUS GOALKEEPING
